

AS YOUR PARTNER WE ARE COMMITTED TO:
Solutions · Value · Quality · Service

*Manufacturing Innovative Systems & Equipment
 for All Cylinder Filling Operations*

“With CryoVation equipment we streamlined all our filling systems ... and we’re more cost-effective.”

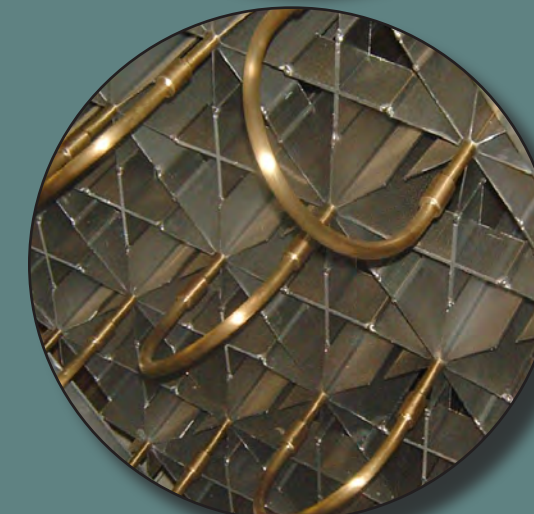

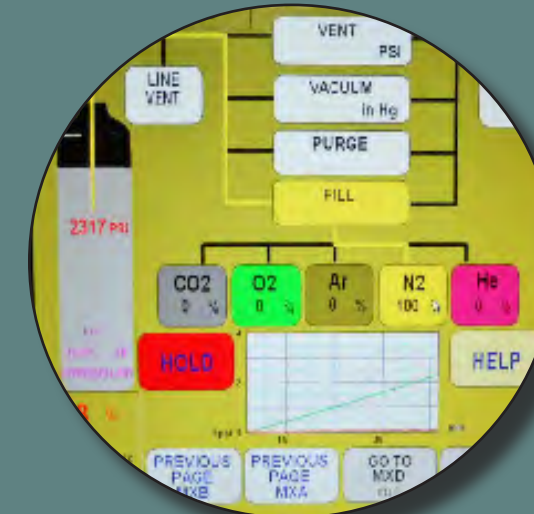

- Kelly Sims, President
 Sims Welding Supply Co.
 Long Beach, CA
 New Plant, 2010

SPEC GAS SPECIALISTS

- Oxygen Purifiers
- Moisture Purifiers
- Bakeout Ovens
- Cylinder Rollers
- Mix Gas Panels
- Radial Manifolds
- Reserve Gas Manifolds
- Gas Analyzers
- Instrumentation Packages
- Vacuum Pumps

WE MAKE VAPORIZERS

High & Low Pressure
 Electric & Portable

MEETING ALL YOUR PUMP REPAIR AND EXCHANGE NEEDS

Offering:

- Parts
- Repairs
- Exchanges

For most pumps:

- Cryogenic
- CO2
- N2O

CRYOVATION
 712 East Park Avenue

INNOVATIONS IN CYLINDER FILLING SYSTEMS AND CUSTOMER APPLICATIONS

PUMPS

**Cryogenic
Horizontal**

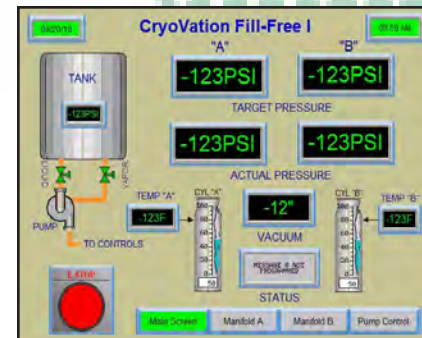

**Cryogenic
Vertical**

CO2 / N2O

CONTROLS

Fill-Free™
Semi-automated

Automated

Panels
Mix • Pure • Specialty • Custom

LIQUID FILLING

Single Station

Multiple Station

Automated Fast-fill, Low-loss

CUSTOMIZED PLANT LAYOUT

Traversing Systems

- Custom manufactured equipment
- Advanced Technologies
- Installation and Service
- Large Stock of Inventoried Parts
- Specialty Gas and FDA Training

Pallet Systems

“CryoVation did an outstanding job with this project. We could not have asked for better equipment or customer service.”

Richard Segal, President
County Welding
Pompano Beach, FL
