CryoVation Adds Chinese Version to Web Site
Translation offers increased service to overseas customers

FORT MYERS, Fla. (Oct. 4, 2010) – CryoVation has added a Chinese translation to its web site to better service its overseas customers and meet increased requests for product information from gas suppliers throughout Asia.

The site can be accessed with one click on the Chinese flag on the home page at www.cryovation.com.

CryoVation's web site is regularly updated with product launches and news and lets customers quickly search product listings, learn about new products, sales and training classes, and download individual product spec sheets and equipment brochures.

CryoVation is a manufacturing firm specializing in innovative cylinder filling systems. The company, with locations in Florida, Indiana and New Jersey, specializes in whole-plant systems, system upgrades and a full line of equipment and parts tailored to the needs of the industrial, specialty gas, medical oxygen and beverage gas industries. For information about products and services, contact CryoVation at (239) 337-1114 or info@cryovation.com. More information is available online at www.CryoVation.com and www.cryovation.com/chinese.
