Rachel Boyd Joins CryoVation Team

FORT MYERS, Fla. (August 2, 2010) – Rachel Boyd has been named the new purchasing manager for CryoVation, a multi-state manufacturer of cylinder filling systems and equipment.

Rachel is a 2009 graduate of the University of Central Florida with a degree in business marketing. She will take over the New Jersey-based purchasing department from her brother, Nate Boyd, who will move into design and engineering. She is the fourth member of the Boyd family to work at CryoVation: her father, Ric, is the company founder and her other brother, Ryan, is director of sales, both based at the corporate headquarters in Florida.

CryoVation is a manufacturing firm specializing in innovative cylinder filling systems. The company, with locations in Florida, Indiana and New Jersey, specializes in whole-plant systems, system upgrades and a full line of equipment and parts tailored to the needs of the industrial, specialty, medical oxygen and beverage gas industries. The company celebrates its 10th anniversary this year. For information about products, services and specialty gas training classes, contact CryoVation at (239) 337-1114 or info@cryovation.com. More information is available online at www.cryovation.com.
